

Final Report on Study Exchange at the University of Lucerne

Please write the report (max 2 pages) in German or English in complete sentences (no keywords).

Mobility program	ERASMUS
Home university	University of Granada (Spain)
Field of study	Philosophy
Semester	Fall term 2013 and Spring term 2014
Name und E-Mail (optional)	teresamsg9@gmail.com

Location, size, infrastructure the main points of the city. German course at the university "German for Beginners" visited? Content of course, usage the university good, and with a well development and organization.	General impression	Luzern was for me an mazing experience because of a lot of reasons. Study in other
Interval in Switzerland Inmigration formalities, visa Is the only thing that I could claim, because I get my Visa without any problem, but later I had have some problems with the recognition of the health insurance without any reason, because other students in the same situation as me didn't have it also having the same official formulary and insurance. Searching for rooms/ accommodation Experiences and useful addresses Public transportation Train, bus, accessibility of university buildings Prearrangements Registration for courses, language tests, academic records Everything good, but the only problem that being from Philosophy degree I get some difficulties to find some course without the necessity of coming to a master level, so some of them were really difficult to me. But in the other hand, helps me to improve my Student level. Information on university Location, size, infrastructure German course at the university Content of course, usage Studying at the university Content of course, usage Studying at the university Student advisors, Mobility Office, mentors, contact with other students Really good, I'm really glad to had a responsible student advisor and really patient. Also the same to the Mobility office. The only claim is about the mentors coming from the student that was absolutely disfuctional because, in chase she wasn't at the city when I need her. Really expensive.	Please describe your stay in 4-5	system and in different language improves your knowledge and your personality.
Is the only thing that I could claim, because I get my Visa without any problem, but later I had have some problems with the recognition of the health insurance without any reason, because other students in the same situation as me didn't have it also having the same official formulary and insurance. Searching for rooms/ accommodation	sentences	Living outside your own country allow you to learn important values according to
Interesting formalities, visa Iater I had have some problems with the recognition of the health insurance without any reason, because other students in the same situation as me didn't have it also having the same official formulary and insurance. Was really good, and because of the University informative program I don't have any problem. The organization is really good. Prearrangements Really usefully and without any problems to understand the transport-system. Really usefully and without any problem that being from Philosophy degree I get some difficulties to find some course without the necessity of coming to a master level, so some of them were really difficult to me. But in the other hand, helps me to improve my German language and improve my student level. Really good and really confortable. The location of the University is idyllically, close to the main points of the city. Really good, and with a well development and organization. Really good, and with a well development and organization. Really good, and with a well development and organization. Really good, and with a really difficult to me. But in the other hand, helps me to improve my student level. Really good and really confortable. The location of the University is idyllically, close to the main points of the city. Really good, and with a well development and organization. Really good, and with a well development and organization. Really good, and with a well development and organization. Really good, and with a responsible student advisor and really patient. Also the same to the Mobility office. The only claim is about the mentors coming from the tother student that was absolutely disfuctional because, in chase she wasn't at the city when I need her. Really expensive.		understand and respect others.
