

<p><b>Studying at the university</b> Content of lectures, credits, assessments</p>	<p>I study journalism in Spain, so it has been difficult for me to have to study here politics. However, it is never wrong to learn a little of everything, and I have also had different subjects such as ethnography, which I enjoyed a lot.</p> <p>I have enjoyed the dynamics of the classes, and in general I believe that the teachers are benevolent with the Erasmus students and are involved in the subject. But I would have liked to know my notes and therefore my credits with more time in advance.</p>
<p><b>Assistance at the university</b> Mobility Coordinator, International Relations Office, student advisors, mentors, contact with other students</p>	<p>As I mentioned in other sections, the university is very involved with the Erasmus students, this includes the mentors and all the departments. I really appreciate the kindness with which we have been treated.</p>
<p><b>Budgeting</b> Living costs, study material, money transfer</p>	<p>Switzerland is an expensive country, but in relation to the price level I think that my residence is well priced. Regarding the study material, most of it is online so it has not been expensive.</p>
<p><b>Living/ leisure</b> Meeting places, sports, culture</p>	<p>Lucerne is a very touristic city so there are many interesting places to visit. The mountains and the views are beautiful so doing hiking is an activity that I would highly recommend. On the other hand, when studying at the University of Lucerne the gym is free, which is a great advantage.</p>
<p><b>Comparison</b> What is better/ worse at the University of Lucerne as compared to your home university?</p>	<p>In comparison with my university in Valencia, the main thing to note is the dynamics of the classes. In Lucerne, I have worked hard to speak in public, which I consider necessary and which can always be enhanced.</p>
<p><b>Reasons</b> Why did you choose to complete an exchange semester at the University of Lucerne?</p>	<p>I chose Lucerne because it seems to me a beautiful city, but mainly because I was looking for a new completely new experience.</p>
<p><b>Duration</b> Looking back, was the duration of your stay here:</p>	<p><input checked="" type="checkbox"/> too short                      <input type="checkbox"/> too long                      <input type="checkbox"/> just right</p>
