General impression Please describe your stay in 4-5 sentences	I had an amazing stay at the University of Luzern. The University is beautiful, the students and staff are friendly, and the exchange coordinators make your transition easy. Switzerland has become one of my favourite Countries and I will definitely be back to visit. The beauty the country offers is in my opinion almost unparalleled.
Entry/ arrival in Switzerland Immigration formalities, visa	Acquiring a VISA is quite manageable. However, completing the appropriate immigration requirements in Switzerland can be difficult. The process is long and there are many steps. The process itself is not complicated, but you must pay a number of fees on top of your VISA to stay in the country.
Searching for rooms/ accommodation Experiences and useful addresses	I stayed in Emmenbrucke. The coordinator for Emmenbrucke is helpful and makes moving in easy.
Public transportation Train, bus, accessibility of university buildings	Trains and busses are very simple to use especially when you have downloaded the SBB app. Would highly recommend purchasing an SBB "half pass" to reduce travel costs. If you live in Emmenbrucke a city pass is a must.
Prearrangements Registration for courses, language tests, academic records	Registration is simple with the use of the Universities website. I would recommend using Google Chrome since it automatically translates any pages into the language of your choice.
Information on the university Location, size, infrastructure	Beautiful University, great cafeteria food, central location beside main train station.
German course at the university "German Short Course" visited? Content of course, use?	Visited German short course, great opportunity to learn basic phrases and to get to know other exchange students.
Studying at the university Content of lectures, credits, assessments	Mostly oral exams. The lectures are interesting and informative.
Assistance at the university Mobility Coordinator, International Relations Office, student advisors, mentors, contact with other students	University coordinators are helpful. Very little contact with student mentors or other Luzern students unless you join University Sport Clubs.
Budgeting Living costs, study material, money transfer	Switzerland is very expensive but can reduce costs by using text books available in the library.
Living/ leisure Meeting places, sports, culture	Highly recommend joining the University clubs. Excellent way to get to know University of Luzern students.
Comparison	The academic facilities are much nicer at the University and everything is very orga-

<p>What is better/ worse at the University of Lucerne as compared to your home university?</p>	<p>nized. However, it is significantly lacking in Gym (weight lifting) facilities and the school lacks "school spirit".</p>
<p>Reasons Why did you choose to complete an exchange semester at the University of Lucerne?</p>	<p>I chose to complete a term at Luzern because of the courses offered. I was attracted to the extensive courses available related to International law. This is what set the University of Luzern apart from other schools.</p>
<p>Duration Looking back, was the duration of your stay here:</p>	<p> <input type="checkbox"/> too short <input type="checkbox"/> too long <input checked="" type="checkbox"/> just right </p>
