

«Career Planning»

Tutor	Franziska Liese, Unweit Coaching Training Moderation
Organization	Graduate Academy
Language	Englisch
ECTS-Points	1
Nos. of participants	max. 15
Content	<p>Entering the world of work and starting a career can be a daunting and scary process. Often it is hard to see where to begin and which factors to take into account.</p> <p>In this interactive workshop, you will get a brief overview on the factors to consider when entering industry. You will learn about:</p> <ul style="list-style-type: none"> - A career management model and how to use it. - The meaning of values when planning a career. - Transferable skills and how to communicate them. - The Job Market and how it works. <p>You will be leaving the day with a small action plan for your next steps.</p> <p>Although we will be focussing more on the industry aspect of a career, this workshop can also be interesting for participants focussing on academia.</p>
Reading list	Will be given during the workshop
Teaching method	Trainer Input, Peer Exchange and Peer Coaching (Interactive Format)
Charge	This Graduate Academy offering is directed at researchers, post-docs and doctoral students of the University of Lucerne and its partner institutions and is free of charge for these persons.
